SPONSORSHIP PROCEEDS

Tax Deductible

All Sponsorship proceeds are tax deductible through Accel AI Institute 501c3 Non-Profit Organization (Fiscal Sponsor of Latinx in AI Coalition)

Directed Sponsorship

We would be happy to direct your donation to travel grants and other activities as you prefer.

Logos

Sponsor logo will appear as soon as the donation is received to let earlier sponsors get more exposure time and visibility on the LXAI workshop website. The size of the logos depends on the five different donation levels.

Presenting Author Travel Grants

- These grants provide travel support to entry and mid-career investigators for attending the LXAI Research Workshop.
- The grants are awarded to researchers and scientists who have limited funds for travel but are the first or contributing authors on one or more abstracts submitted.
- Up to $2,500 based on cost of travel, hotel accommodations, and as needed basis

Poster Travel Awards

These awards provide up to $300 travel reimbursement to early career researchers whose abstracts selected for poster presentations only are deemed to be exceptional. Selection is based on the originality and significance of the research presented.
